

Boston May 11th

Roane French.

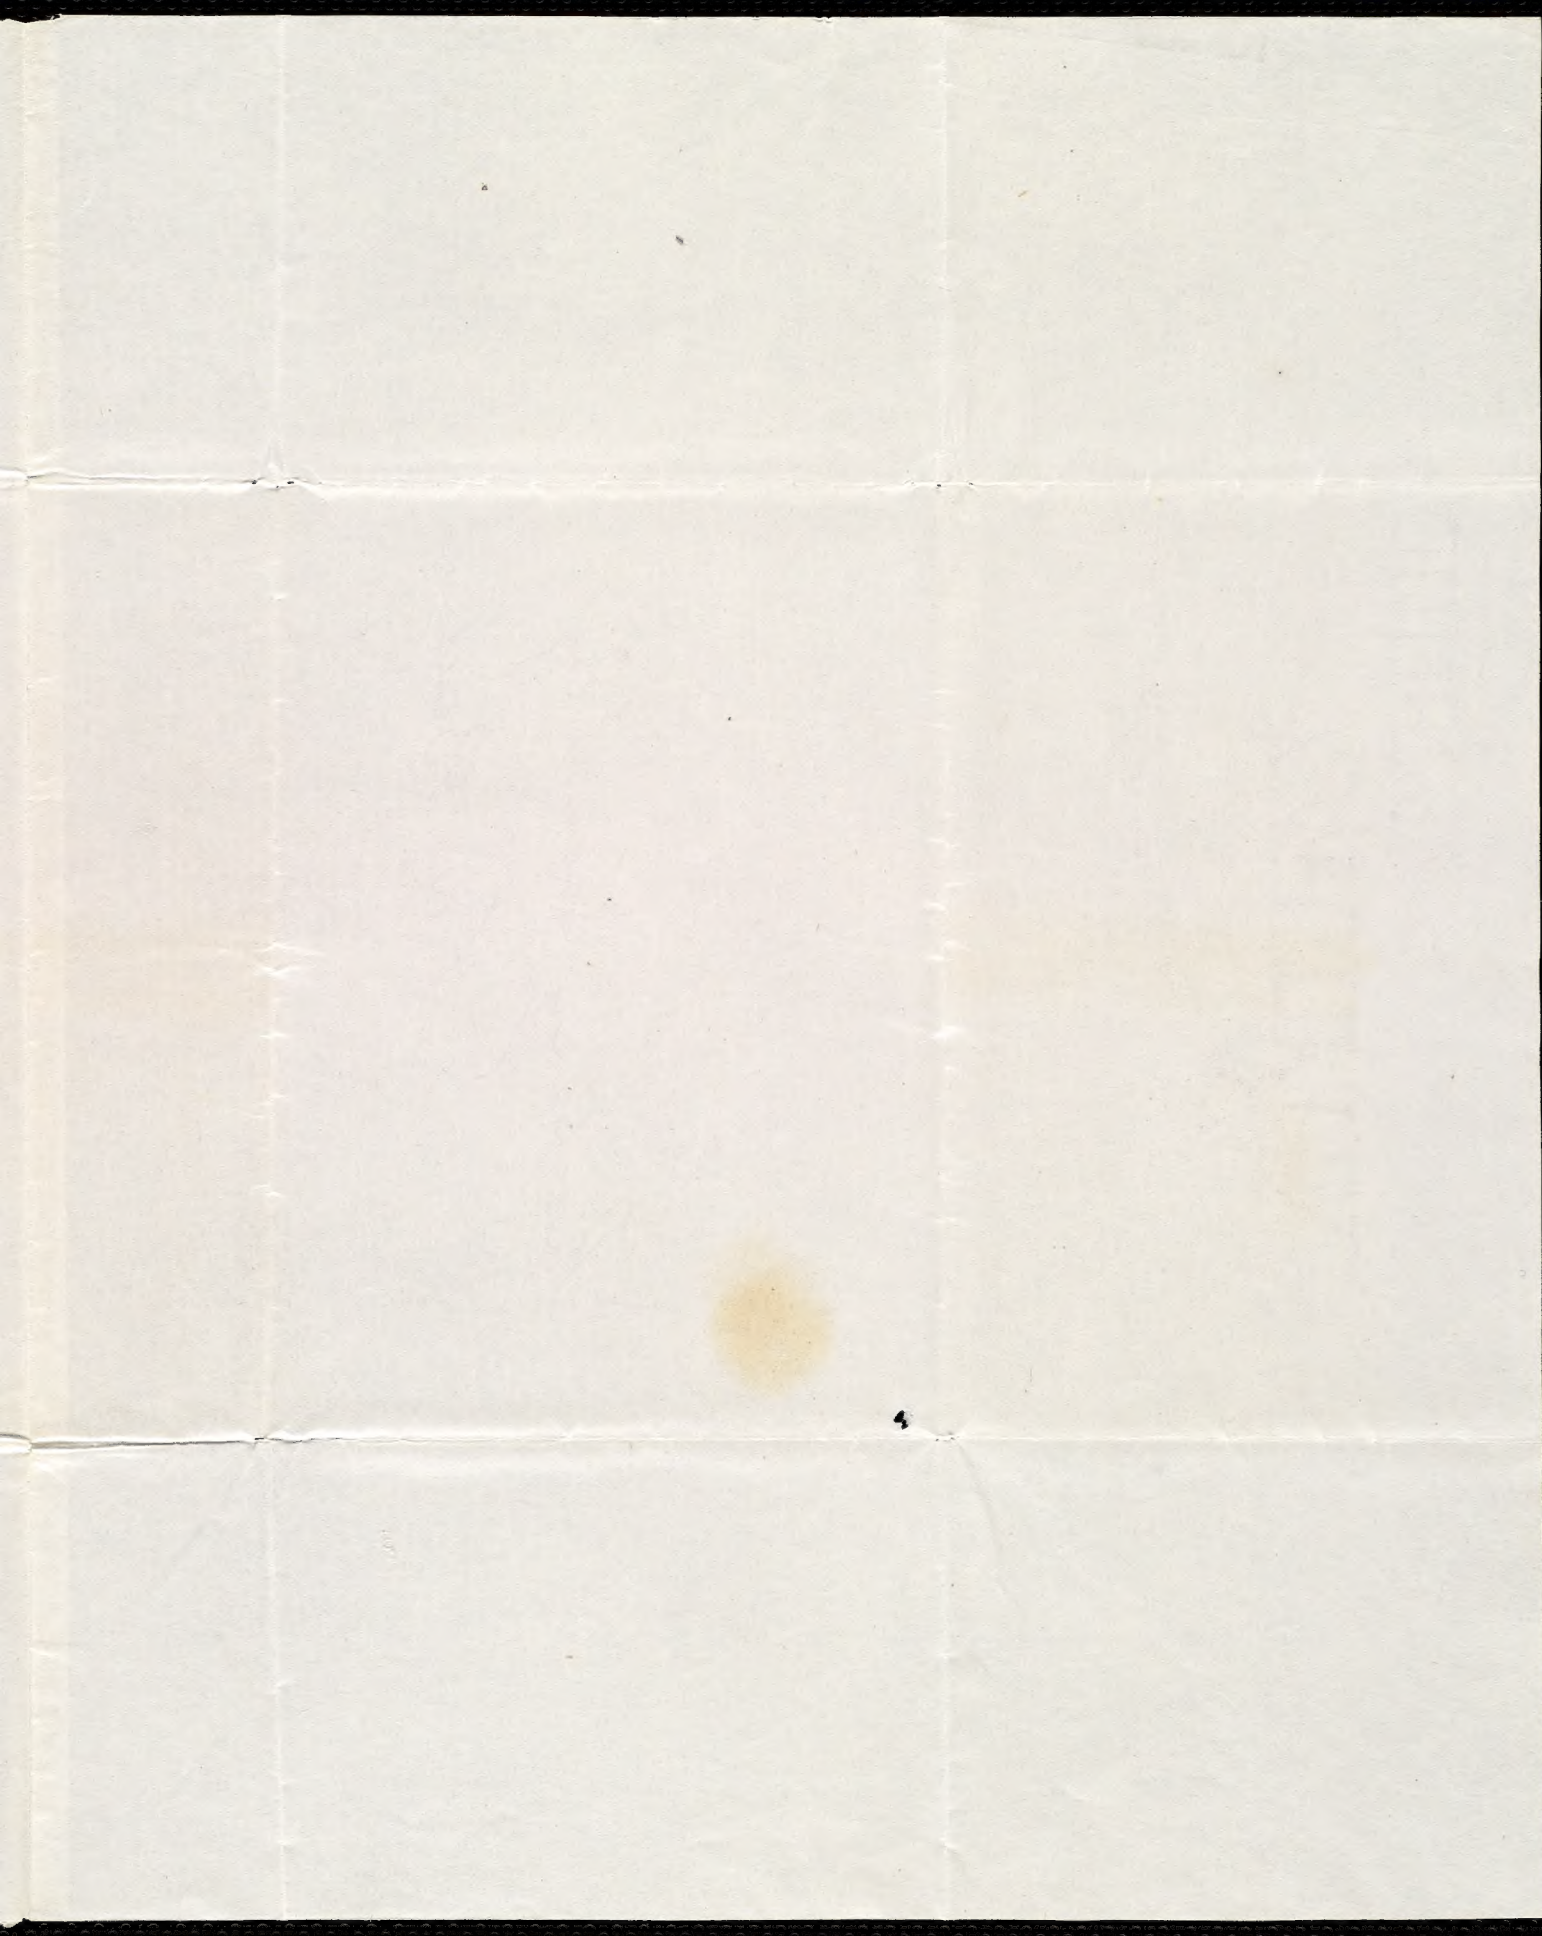

Dear Sir,

I am about to give a history of the events that have led to the present state of things in the Anti Slavery Cause, with an exposition of the causes of those events, to be entitled "Right & Wrong No 4." I wish to have it ready for the N. E. Convention, which I shall be able, I trust, to do.

Of many facts which have to my knowledge transpired in your country respecting the course of Agents of the Ex. Com. there, I should be glad to have your statement, as proposed to the Ex. Com. or as arranged in your own mind for that purpose. My object is accuracy. I do not to obtain the use of your name or statement. I wish the latter for the sake of comparing my own sketch with it, & that I may correct my own if inaccurate. Very respectfully Yours for the cause with all diligence,

Maria W. Chapman

Please not to mention my intention respecting this history, as I should prefer to have it appear without having been heralded.
